anti-reflective sapphire crystal

Mystery Effect – invisible JM emblem on the crystal becomes visible when breathed on

DETAILS

Wristband
very fine calf leather strap with lizard pattern, with JM custom buckle

Limitation
300 pieces

With ÉMOTION, Jean Marcel presents a fascinating new collection of Ladies' time pieces. The round or rectangular-shaped cases are equally well designed into detail. The gentle double rounding on the bezel is resembled in the case lugs, as well as subtly in the shape of the crown. The Émotion collection offers a great variety of dials made out of special materials, with corresponding straps, both in classical-elegant colors as well as in exciting lively pastel tones.
