Wristband
all stainless steel Milanese mesh bracelet with JM butterfly folding buckle

Limitation
300 pieces

Most watch enthusiasts love classic elegance as much as sporty dynamics – hardly any watch collection creates such a perfect synthesis out of both flavors as the ASTRUM. The three-part cases with stepped bezels shine in a many-faceted look of polished and satined surfaces. A range of wrist bands made of massive steel, natural rubber, finest calf hide, and genuine stingray leather complete the wealth of ASTRUM model variants.
