limited edition 100 pieces

Plain, simple, straight-lined – and at the same time, sophisticated and intriguing. The QUADRUM III fits any occasion and any wrist. Its long vertical combined with the slim width and only 11mm flatness makes it never too large and never too small. Premium Swiss Made movements do their job reliably and unobtrusively, but with an extra in function. Perfectly aligned dial and strap colors complete the elegance of these high size time pieces.
